SOLARIS RAIL TOOL

Quality Attachments, Parts & Customer Service

The Solaris Rail Tool easily removes old and damaged crossties in less time and with less effort than by conventional means. It makes it a snap to insert new crossties into place. Next, with 127° rotation no job is too difficult for the Solaris Rail Tool. It quickly attaches to any make & model Skid Steer, CTL, MTL or tractor with a Universal Quick Attach Plate!

EZ-0016 Rail Tool
