KX-280 TREE SHEAR

The versatile KX brand shear - built from high grade steel. An extension arm may be added to increase reach and address low-hanging limbs. The blade is detachable so the attachment can be used as a grapple only. Delivered with a flat-top mount.

- Recommended excavator size: 5MT – 12 MT
- Max Cutting Capacity: 8" hardwood, 11" softwood
- 660 lbs.
- Pressure: 3900-4350 psi
- Opening: 35"
- 1 Year Warranty

OPTIONS

- 3-FOOT EXTENSION ARM (93 lbs.)
- ACCUMULATOR (220 lbs.) – requires additional auxiliary circuit.
